

Camp Arrival and Departure Times

Arrival: 1pm, Monday 1 December

A parent or guardian will be required to register the student and sign that they have delivered them to GT Online Staff

Departure: 10am, Friday 5 December

All staff and students must be collected by a parent or guardian and offsite by 10.30am.

Assistance with transport: GT Online Camp

Parents are responsible for organising transport to and from the campsite, which may involve a family member or friend to collect and/or deliver students from the airport or bus/train station. In circumstances where this is not possible, transport by GT Online staff is available but **limited** and **reserved** only for those students where it is **essential** and may involve an extended wait before being transported to camp. If transport is required outside of the times below, please contact Sarah Mirco.

If assistance is required by students from the same location, it is VERY helpful if the students are travelling together and require only one teacher for collection. Please liaise with other parents if this is the case.

Collection times on arrival
